ANNUAL REPORTS

OF THE

TOWN OFFICERS

OF

MARLOW, N. H.

FOR THE

YEAR ENDING FEBRUARY 15,

1898.

REPORT OF SCHOOL BOARD.

In presenting this report of the School Board we would say that the schools in the district have been excellent with the exceptions of the Fall terms in Nos. 3 and 5. In the former, the Board deemed it advisable to close it in the eighth week, while in the latter, Miss Smith resigned at the end of the fifth week. The Board engaged Miss Luella E. Farnsworth to finish the term which was very satisfactory to both the School Board and the parents. It was thought best not to continue the school in Div. 3 owing to the nearness of the Fall vacation.

It seems strange that so many of our otherwise good teachers should fail in discipline. A teacher failing in that fails in all. The Board has tried to employ only those who have proved themselves to be good in government, as more teachers seem to fail in this point than any other.

Number of scholars enrolled between 5 and 16 years, 101.

Boys, 55. Girls, 46.

Number of different scholars attending school, 104.

Whole number of weeks of school, 163.4

Non-membership absences in days, 661

Other absences in days, 743

Per cent. daily attendance, 93.55

Number tardinesses, 149

Visits by School Board, 46

Other visitors, 160

REPORT OF Trustees of Town Library.

We are pleased to report that the library has been well patronized the past year.

The library now contains 1066 books. Eight old ones were replaced, and 51 new ones added last year.

We find the books in very good condition. The largest number of books taken by one person was 91. Largest number by one family, 182. Whole number of books taken out during the year, 3142.

Patrons of the library when exchanging books should remain in the room until the librarian has checked the number of the book returned, and recorded the one taken; also when taking books from the shelves for examination remember to return them to their proper place.
